

Step 1

Find & Launch the "Shortcuts" App on Your Device

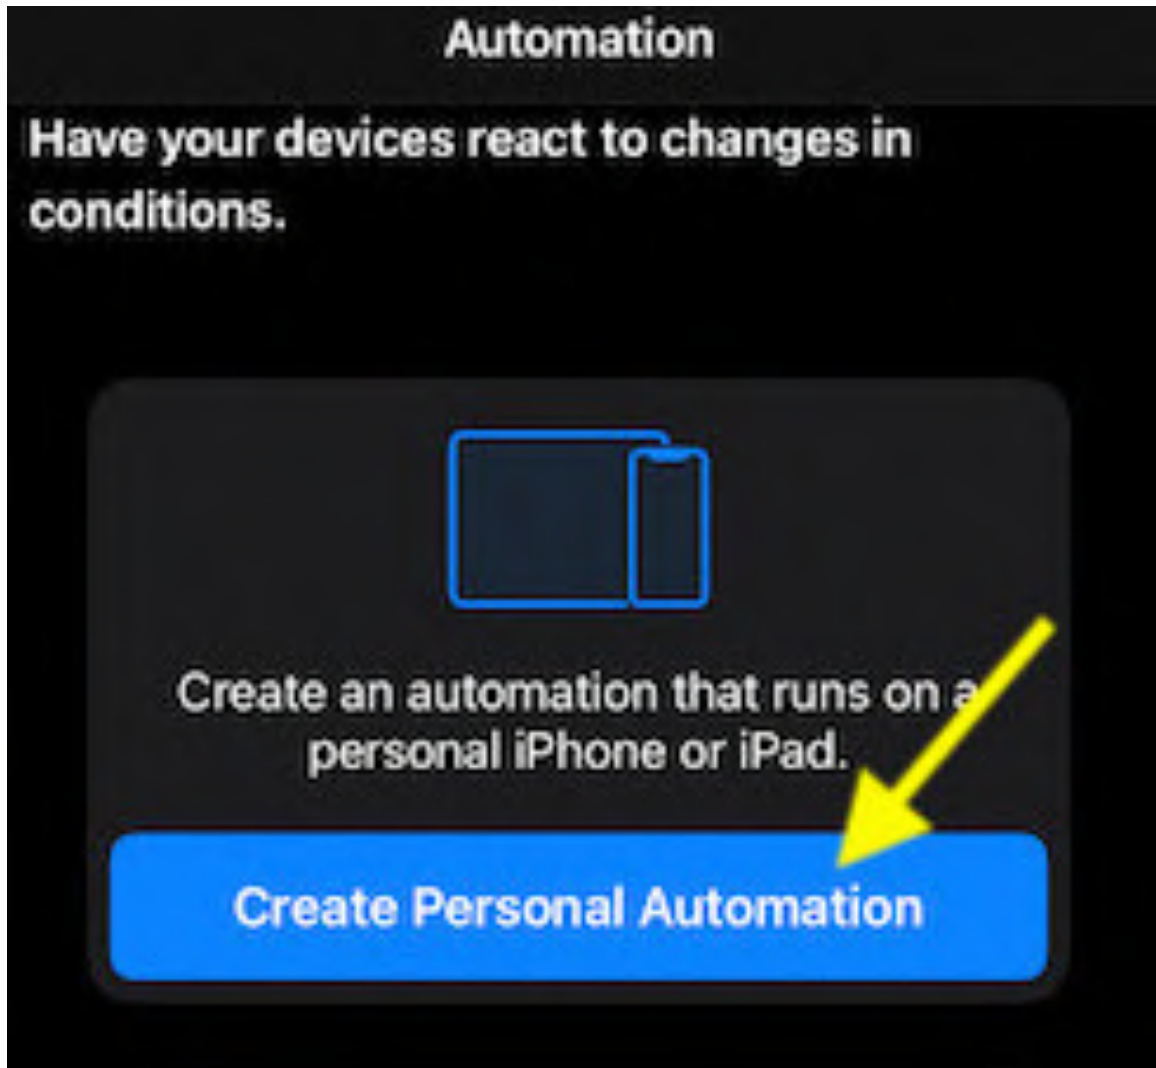

Step 2

Tap on the Automation tab at the bottom

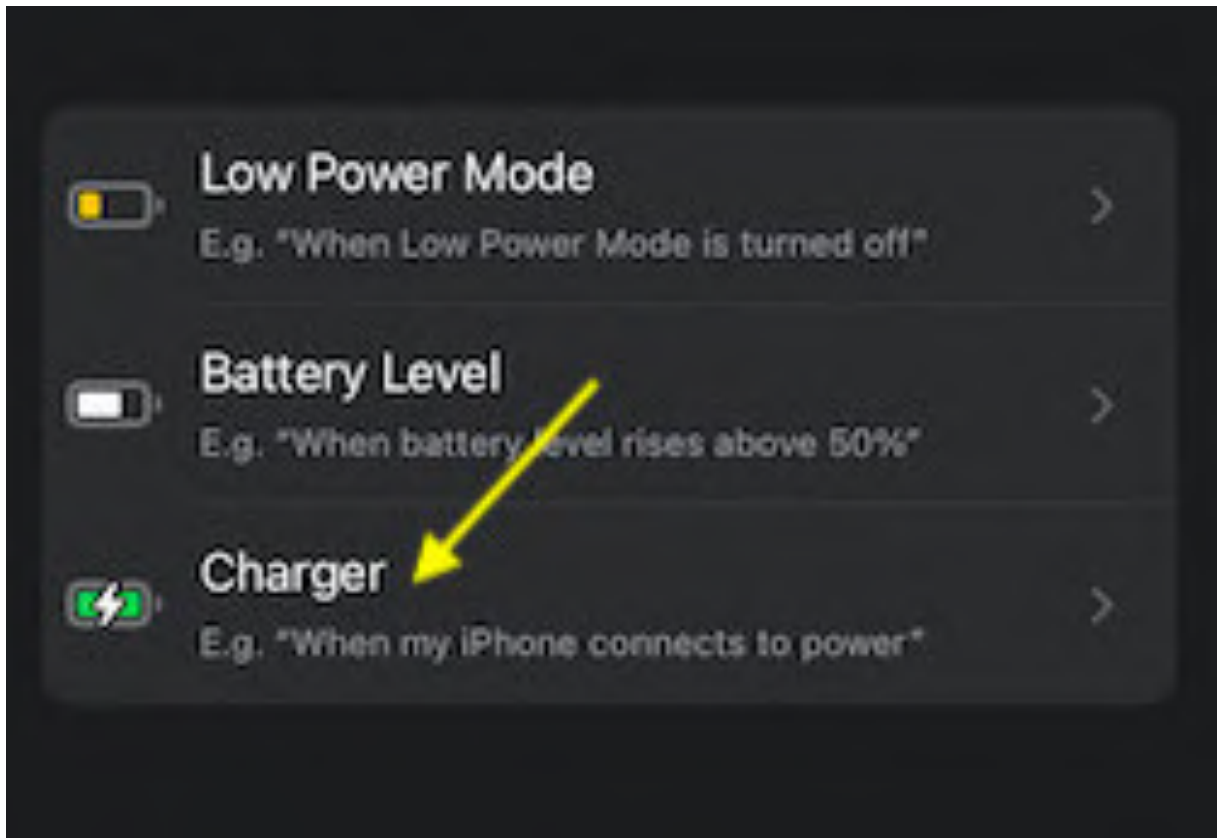

Step 3

Next up, tap on **Create Personal Automation**.

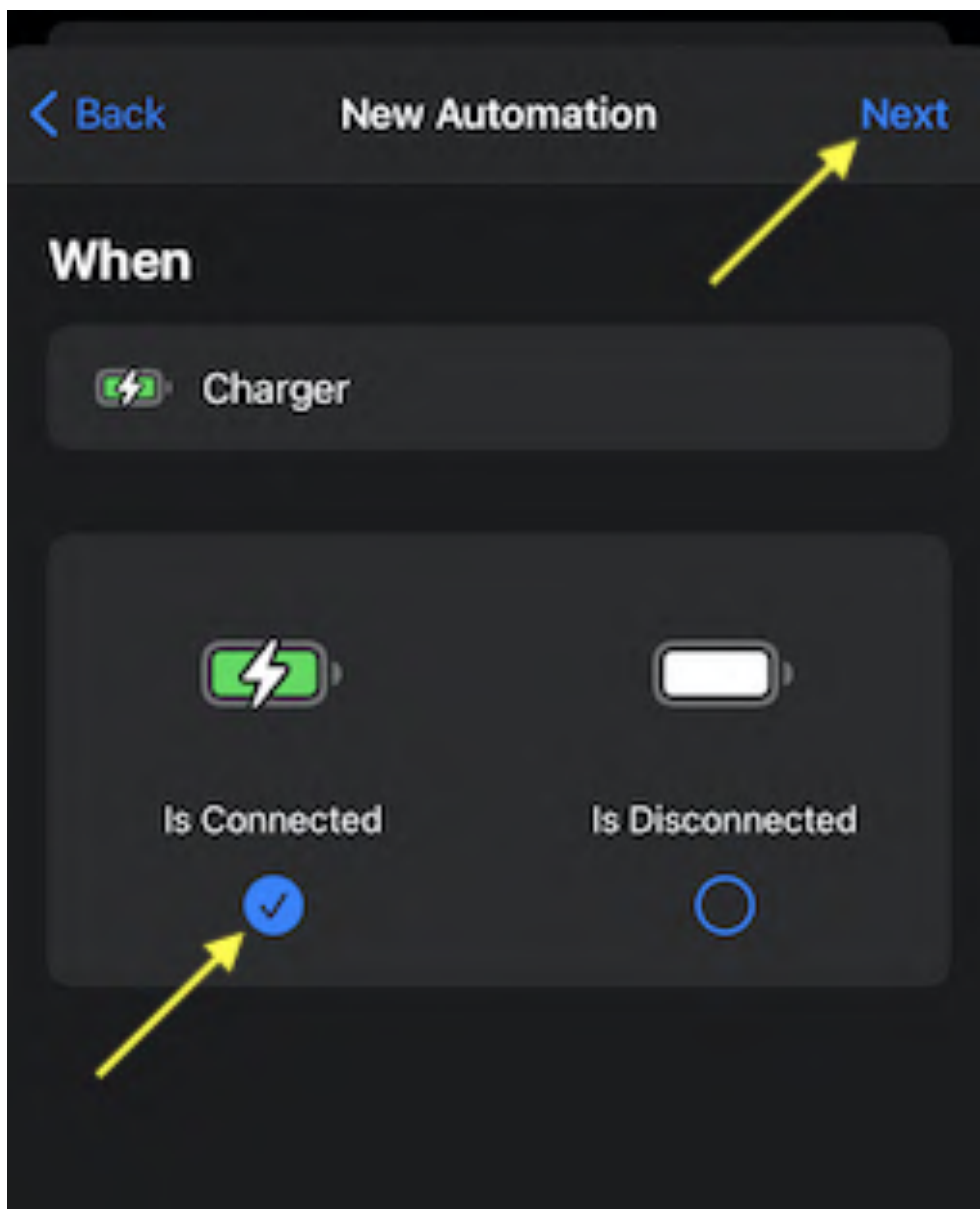

Step 4

Now, Scroll down to the bottom and select the "Charger" option.

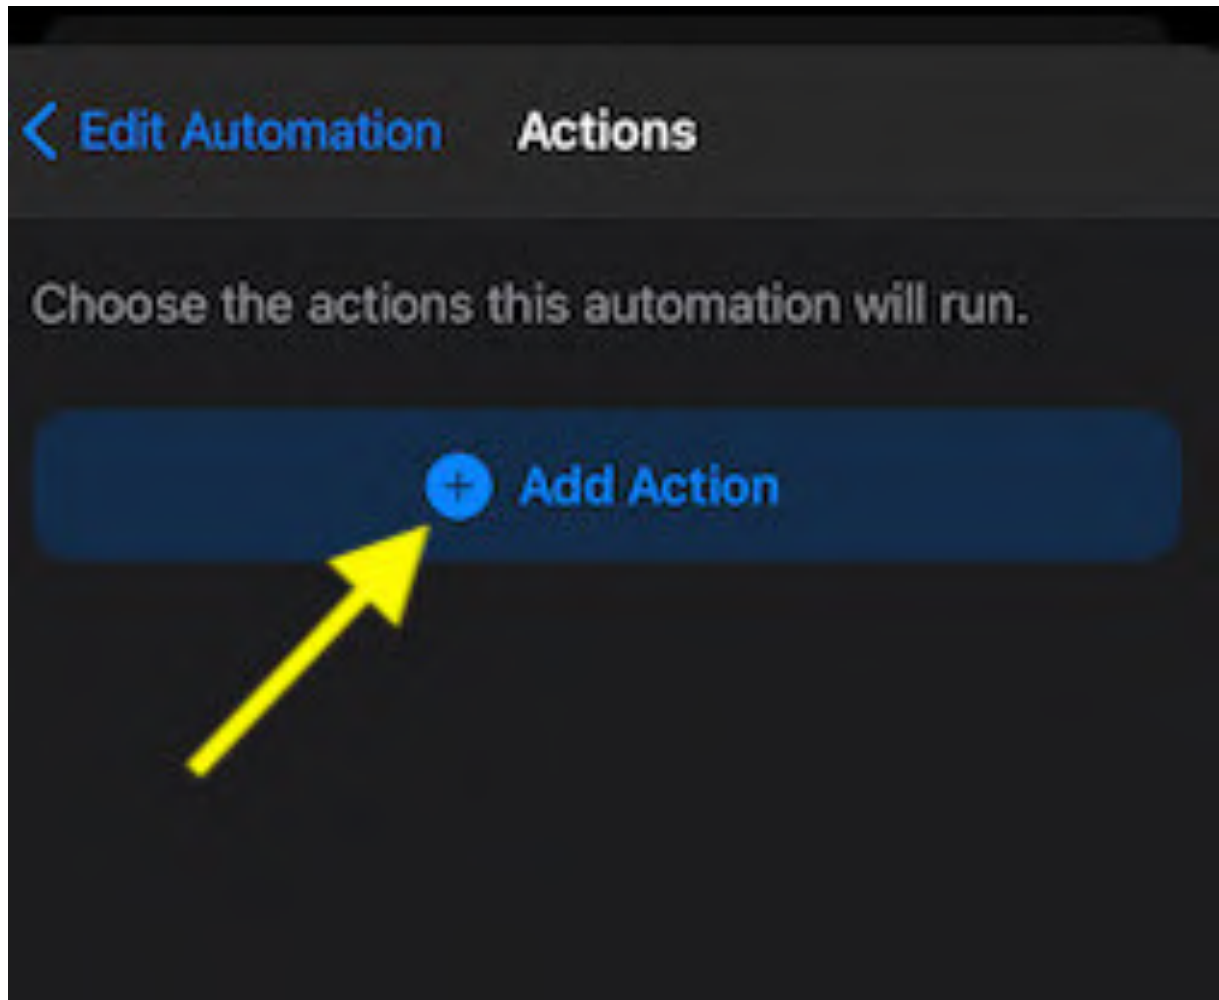

Step 5

Now, make sure "Is Connected" option is selected. Then, tap on Next at the top right corner of the screen.

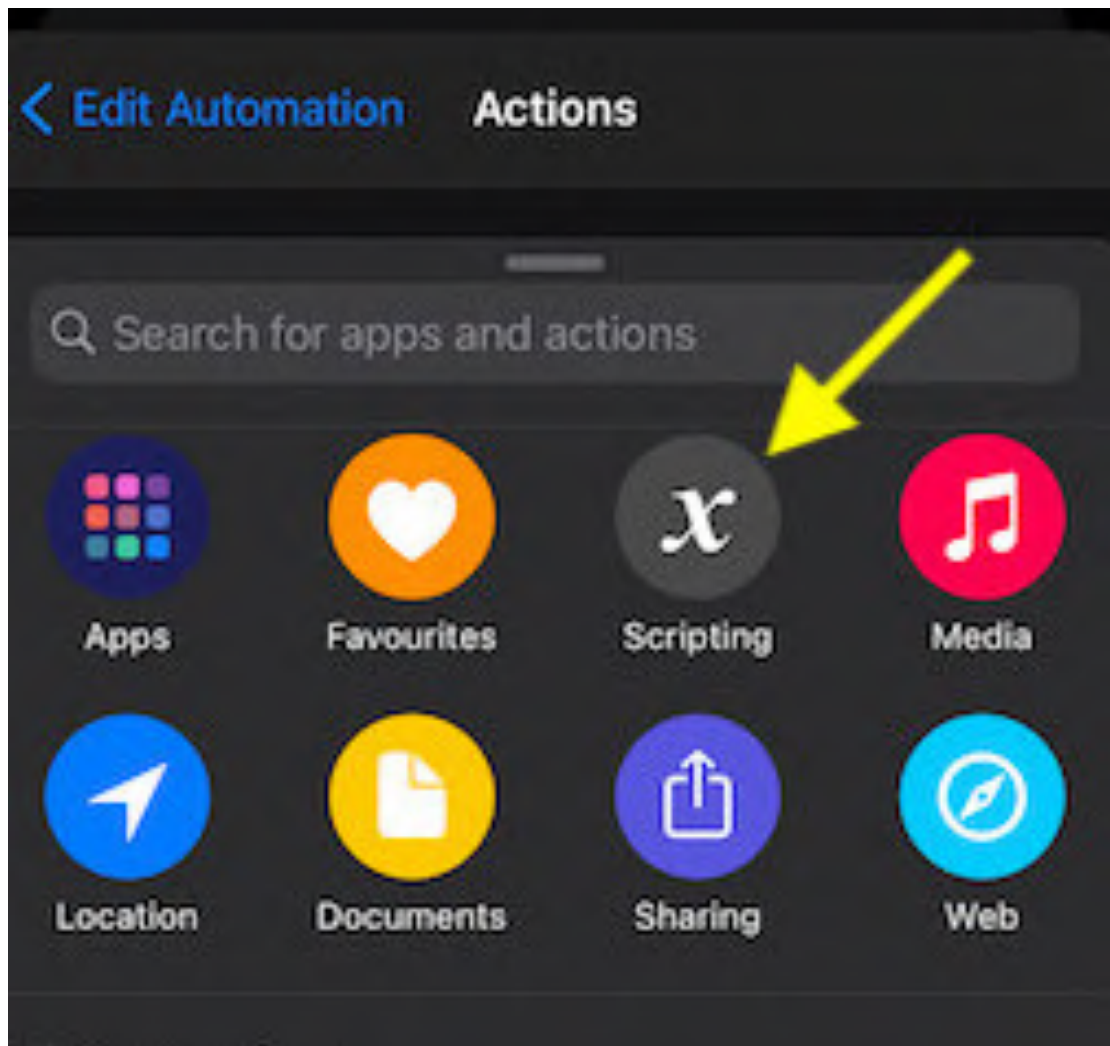

Step 6

Now, tap on the Add Action button

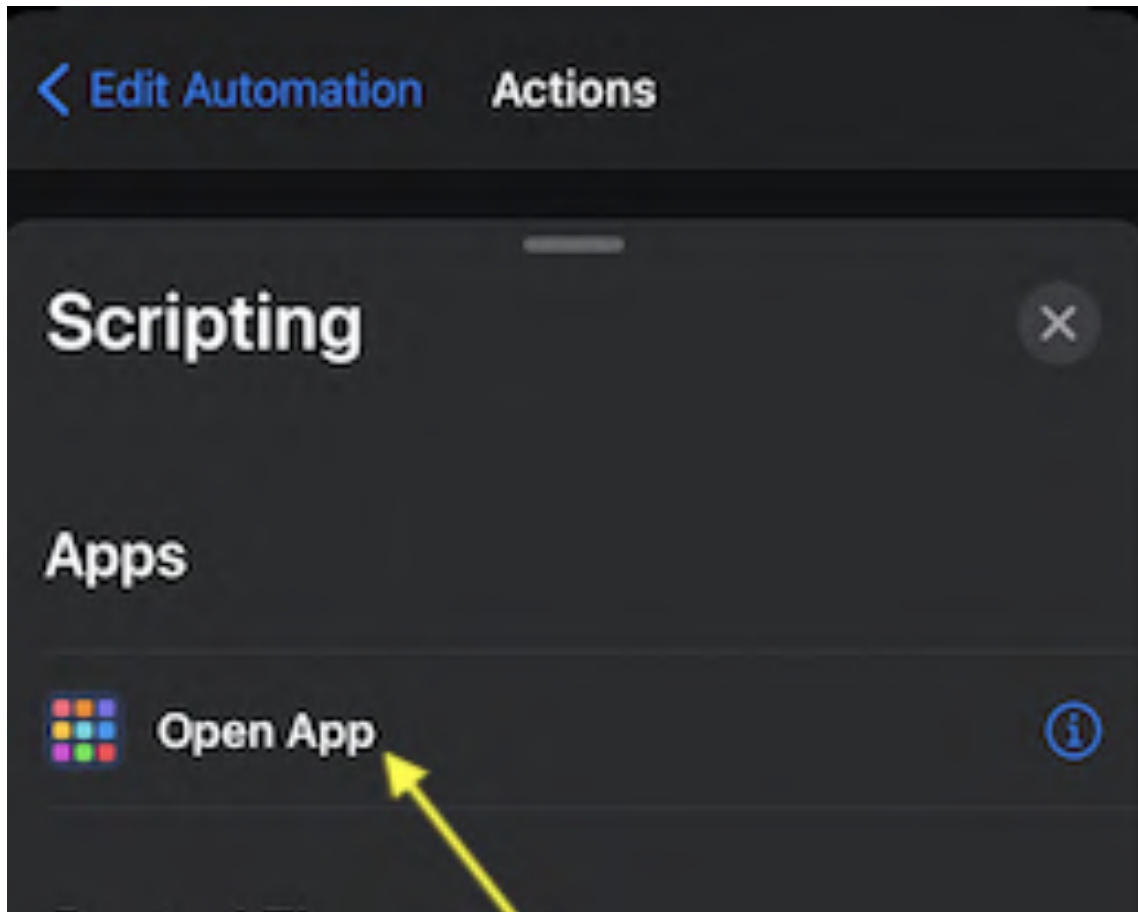

Step 7

Select the Scripting option.

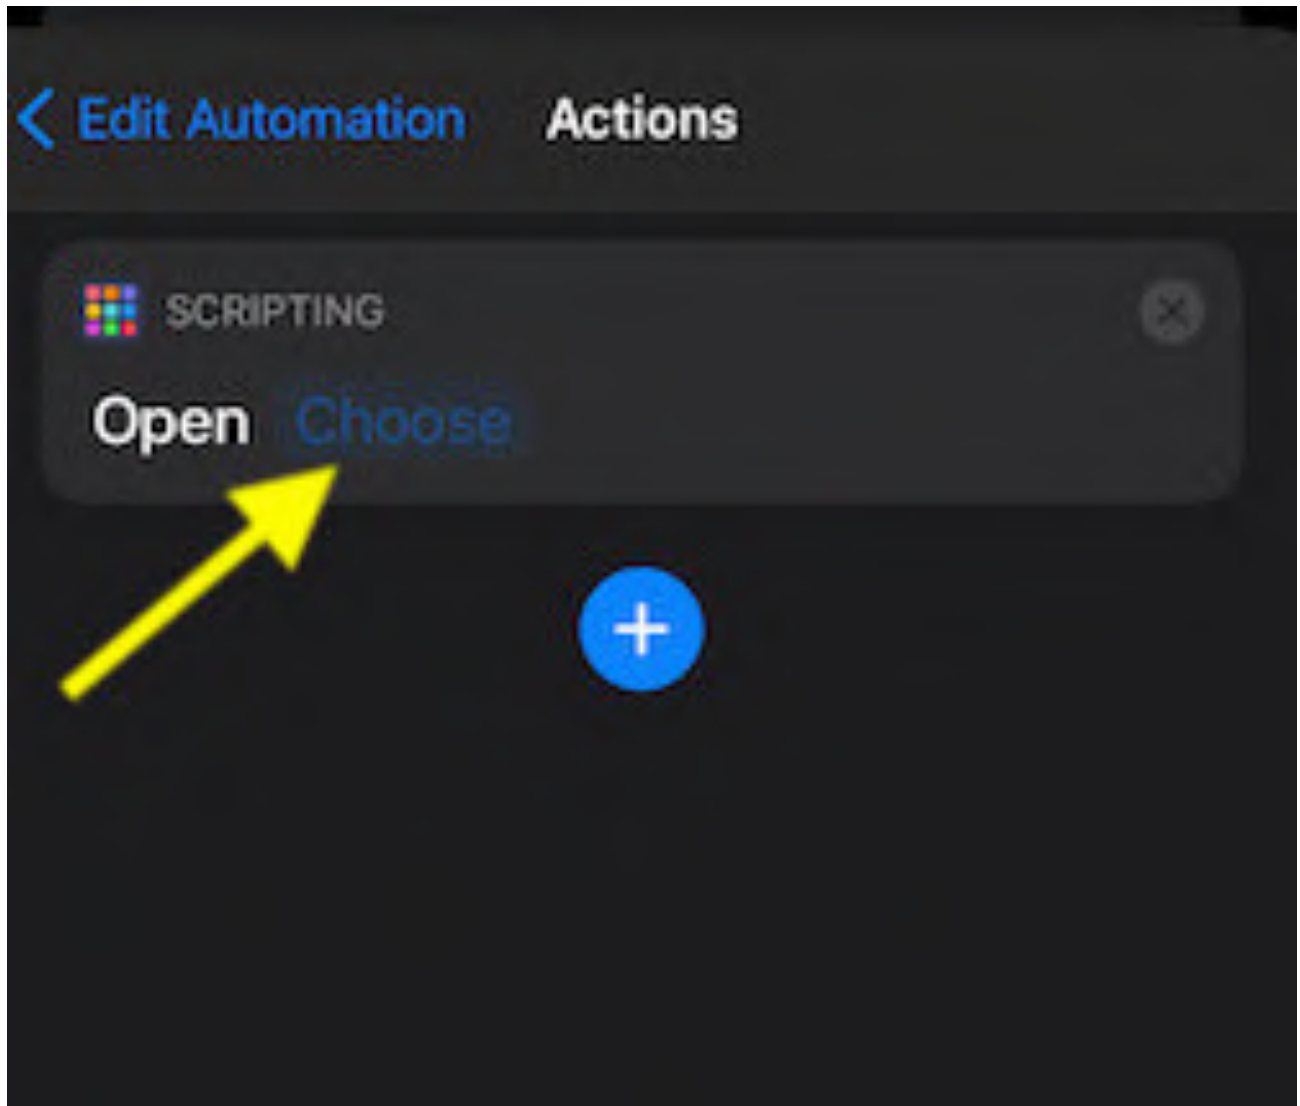

Step 8

Then, select Open App.

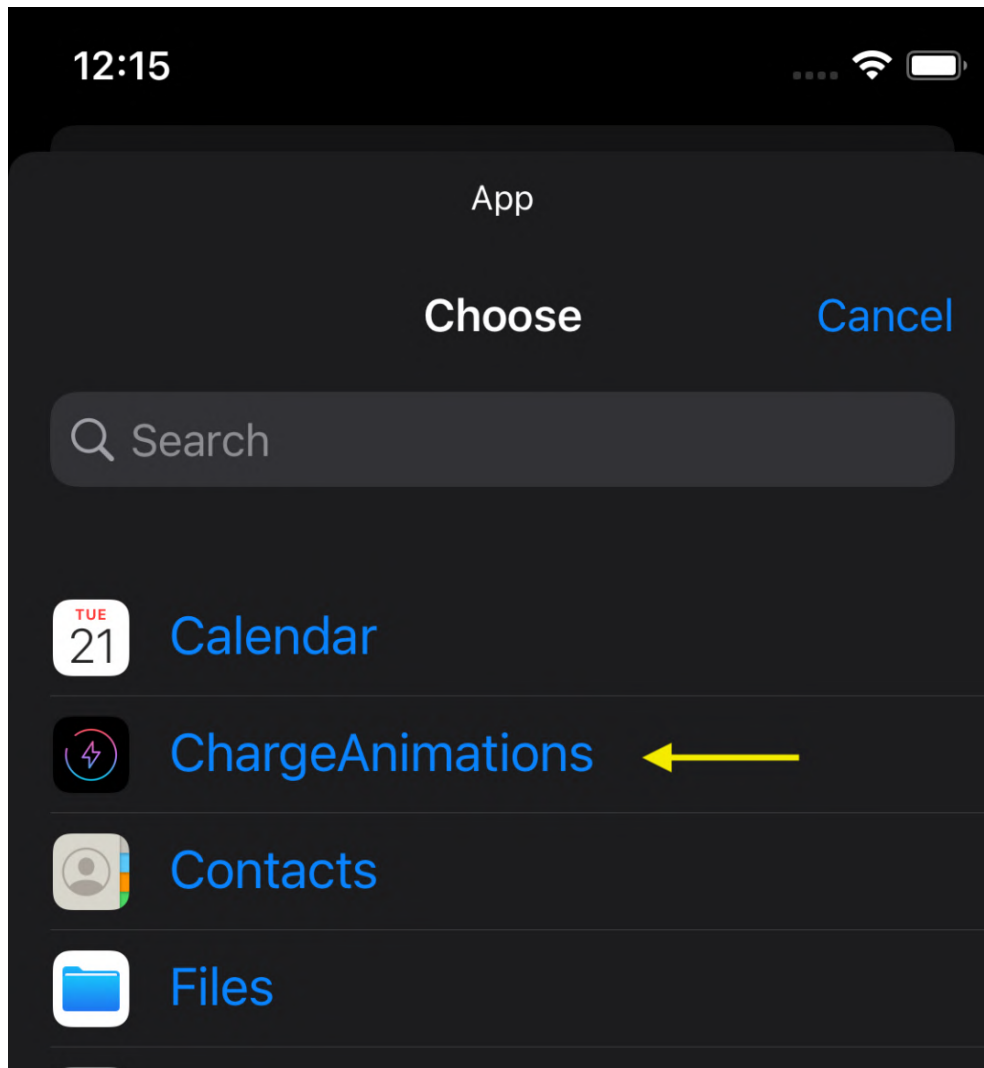

Step 9

Next up, tap on the Choose option

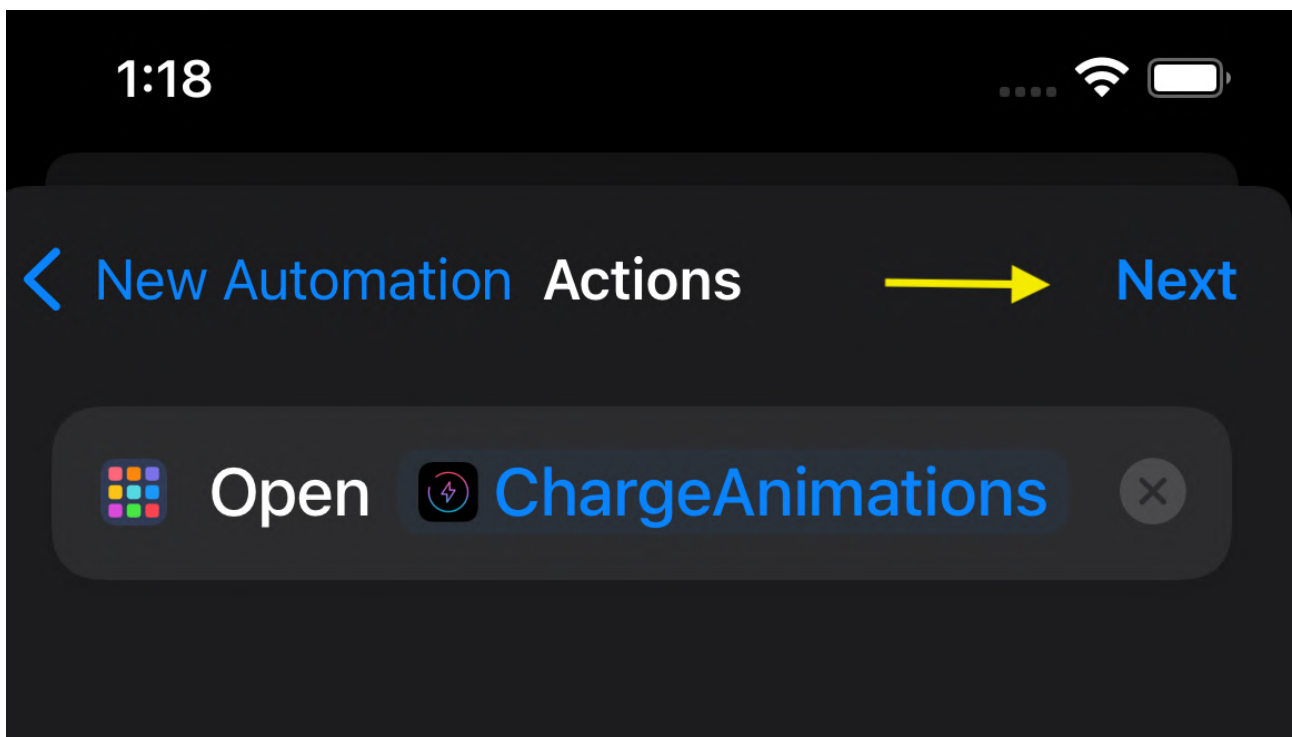

Step 10

Now select Our App – Charging Animations

Step 11

Now Confirm "ChargingAnimations" App is Selected. then, Tap on Next

Step 12

Most Important, Turn OFF Ask Before Running
& then Tap Done.

Next Time you try to charge your device,
You will see one of the charging
animations you setup in our App. Enjoy !
